**Re: Evaluation report for the Travelling Stock Reserves grant (Linear Reserves Program)**

Dear Ms Rowe,

Thank you for providing a copy of the Natural Resources Commission's final evaluation report for the Travelling Stock Reserves grant. Local Land Services (LLS) appreciates the opportunity to provide input to the evaluation and fact-check the draft evaluation report.

We have reviewed the evaluation report and we note its recommendations. We are confident that this experience will improve environmental outcomes from future Environmental Trust grants.

We look forward to working with the Trust again in future.

Yours sincerely,
